Dear [Redacted]

I am writing concerning the Ministry of Labour's decision of August 8, 2018, regarding your request for access to the Ministry's investigation records concerning the following incident:

December 10, 2011, McMaster University at 1280 Main St. West in Hamilton

I understand that the Ministry's decision relating to your request was appealed to the Information and Privacy Commissioner (IPC). The purpose of this letter is to advise that the Ministry has reconsidered its original decision to exempt names and the titles of the two individuals from page one of the McMaster University letter to the Ministry dated December 15, 2011, which is the subject of this appeal. The Ministry has determined that the letter should be released in its entirety; a copy of which is enclosed.

The Ministry has also decided to release the phone number of an individual that was removed from the Event Information Form; a copy of which is also enclosed.

The IPC has been advised of our revised decision and will be provided with a copy of this letter as well as a copy of the two records.

I trust that these records will be of assistance to you.

Sincerely,

Kamini Heeralal-Khan
Manager (A)
